Subject: Draft Paper for Gina
Bay Delta Gina revised kmg.docx

Jared, Jane and Cliff,

In the interest of time, I am submitting a draft paper for your collective review in anticipation of a meeting between Governor Brown and Administrator McCarthy possibly this Friday. We understand that the Governor is seeking some time with the Administrator on Friday but don't know if that meeting has actually been set up. The purpose of the meeting, as we understand it, is to alert her to the new direction the Bay Delta project is taking, and possibly to enlist her support for this new direction.
